

Help make a huge difference for people with disabilities while having a great time learning or strengthening your climbing skills!

During November 2021, Disability Rights Wisconsin is Boulders Climbing Gym's Climb for a Cause partner!

BOULDERS CLIMBING GYM

benefits

disabilityrights | WISCONSIN

November 1st

All intro packages at Boulders will be \$12 (half off the regular price!) and 100% of the proceeds on November 1st will be donated to DRW!

The intro package includes access to both Madison gym locations, all rental gear, and an orientation. No experience is necessary!

Waivers are required to climb or spectate. They can be found on Boulders' website.

Month of November

After November 1st, you can say the promo code—DRW—for \$5 off your day pass or intro package. A \$5 donation will be made to DRW for each promo pass or day pass sold using the promo code and used the day of purchase.

You can also give a donation to DRW throughout the month to receive a free sticker! These stickers have been extremely popular and are in high demand. Just scan the QR codes posted in the Boulders' gyms for more information!

Grab your favorite climbing pals and help protect the rights of people with disabilities! It's a win-win!
